Principal's Message

From the Principal's Desk

“While educating the minds of our youth,
we must not forget to educate their heart” –
Dalai Lama

Success comes to those who work hard and stays with those who don't rest on past laurels. Parikrama D. Pharmacy College started its journey in the year 2014 with the aim of providing education and empowering students so that they can be financially independent, socially conscious, morally upright and emotionally balanced. Parikrama College is an amalgamation of competent teachers, state of the art infrastructure and an experienced and efficient Management, safe and supportive environment for its students to provide a perfect balance of academics, sports, artistic and social opportunities.

Genuine concern of our institution is to ensure students emotional growth along with intellectual excellence. This empowers them to develop their self esteem, self awareness and self confidence. Our student population is multi-cultural and multi linguistic, hence we teach students, the importance of tolerance and respect for each other's language and culture.

Come on, let's give our best and make this Institution a modern temple of learning through our diligence, devotion and dedication.
