Karmaveer Bhaurao Patil Birth Anniversary

Karmaveer Bhaurao Patil (22 September 1887-9 May 1959), born in Kumbhoj, Kolhapur, was a social activist and educator in Maharashtra, India. A strong advocate of mass education, he founded the Rayat Education Society. Padmabhushan Dr. Karmaveer Bhaurao Patil is considered as one of the greatest personalities who has contributed in the formation of modern Maharashtra. He realised that the education is an important tool for social change. According to him, the country would not make progress unless education reaches to the masses in the remote and rural areas. Karmaveer Bhaurao Patil founded the Rayat Shikshan Sanstha in 1919 and setup an educational movement for the upliftment of the masses. He inculcated the value of labour among the students by implementing 'Earn and Learn Scheme' and made the successful attempt to strengthen the educational process through the motto of Rayat Shikshan Sanstha i.e. - "Education through self-help is our motto." Through the Rayat Shikshan Sanstha, he imbibed the great principles of equality, brotherhood, value of labour, social integrity, etc. among the students and tried to dignify the labour and social equality.
